Dear Copper King Sports Booster:

On behalf of the Calumet All Sports Booster Club, thank you for your continued support of our student athletes. Thanks in part to the dedication of Copper King fans like you, this past year has again been successful.

In addition to financial support to CLK Schools, the booster club began two significant projects in support of our athletes. A new concession stand was built at Aggasiz Field. The proceeds from the concession stand are a major source of funds supporting our athletes. The stand was funded and built with the generous support of local businesses and many individuals with strong ties to our athletic program. The Harry LaPointe multi-media room was created in the Calumet Colosseum with donations from Mr. LaPointe's family and friends. It can be used by all of our teams for viewing game film and other educational and instructional needs.

The goal of the Calumet All Sports Booster Club is to provide the student athletes of Calumet with the support they need to reach their highest potential. Over the past 26 years, the Calumet All Sports Booster Club has distinguished itself. We look forward to the challenge of continuing this legacy.

The Calumet All Sports Booster Club is again initiating its annual membership drive. We are hopeful that you will join us in supporting our athletes. As always, your donations go directly to support the student athletes of the CLK Schools. Three levels of participation are available:

- **Member** – Donations of \$25 or more. Proudly display the enclosed window cling.
- **Blue and Grey Member** - For donations of \$50 or more, Blue and Grey members will also receive a 2009 Booster Club license plate.
- **Copper King Member** - For donations of \$100 or more, Copper King Members will receive special recognition on our web page in addition to the 2009 Booster Club license plate.

One of the events that people look forward to each year is the **Booster Club Spring Fling**. It is an event where the booster club celebrates the success of Calumet Athletics and those who support them. The Spring Fling will be held at the Irish Times in Laurium on Saturday, April 18th. Tickets are distributed on a first come basis at \$50 per ticket. You can secure your tickets by calling Joyce Kinonen, in the CHS Counselor's office at 337-0311, ext. 2225 or by contacting any booster club officer listed below.

We wish to sincerely thank you for your continued support of the student athletes of the Public Schools of CLK.

Go Copper Kings!

Sincerely,

Shane M. Jacques
President
